

NEWSLETTER - NOVEMBER 2010

“To be successful you have to enjoy doing your best while at the same time contributing to something beyond yourself”

THANKS TO OUR WONDERFUL LOYAL CLIENTS.....ANOTHER SUCCESSFUL FUNDRAISER

Our 7th consecutive Annual Fundraiser for the PMH Foundation was once again a huge success largely due to our loyal clients!

We advertised our guest speaker as being Mark Harvey but due to circumstances beyond our control at the last minute Mark had commitments beyond HIS control. Ahh....the best laid plans and all that.....

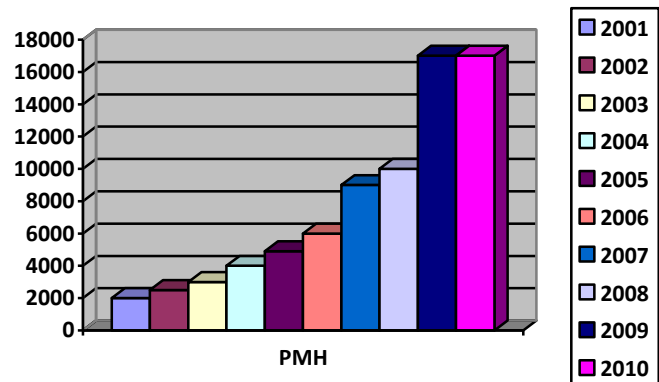

So, we were lucky to be able to procure the great man himself Robert “Dipper” DiPierdomenico. What a funny, entertaining guy he is! He had the whole crowd in the palm of his hand for the hour he spoke, including getting us all off our chairs at one stage.

PROFIT GROWTH FOR 2010 FUNDRAISER

Since 2001 GlobeBD have raised over \$60k including a record profit for 2009 – Thank You!

So, how did we go in 2010?.....Very Well!

Our profit to the PMH Foundation for 2010 is close to \$17,000 thanks to your generosity! The total monies raised since beginning the Annual Fundraiser has now exceeded \$75,000! For those who participated in our Auction, we hope you will enjoy your purchases for years to come. Don't forget to add to them next year! For those who missed out on your favorite piece, come again in 2011.

We can never say enough times – THANK YOU!

EXTENSION OF ACCOUNT BASED PENSION DRAWDOWN RELIEF

The government has announced that the current reduction in the minimum drawdown requirement for account-based pensions will be extended to the 2010-11 financial year. As in the 2008-09 and 2009-10 years, the drawdown relief will be in the form of a 50% reduction in the minimum payments for account-based, allocated and market-linked pensions.

ASK OUR FINANCIAL ADVISOR, CHRIS HOFMAN, HOW THIS EFFECTS YOU.

NEW OFFER FOR GLOBE BD CLIENTS

Globe BD is now pleased to be able to offer their clients

“3 Way Forecasting”

Basically this is a 12 month or longer projection of your:

- ❖ cash flow movements
- ❖ Profit and Loss
- ❖ Balance Sheet position

Why should you have this?

- 90% of the time banks are asking for “3 way forecasts” for any new lend.
- All of the banks ask for up to date financial information.
- If you are on the front foot and provide one before you are asked – the chances of getting the help you need will be vastly improved.

In addition to this, 3 way forecasts can be used as an important tool in the planning, development and financial controls for your business.
